Happy Valentines Month! We love helping you promote your school and it is that time again. Since many parents are logging on looking for schools for their children and it is re-enrollment time for you, it is important that your school's listing be updated. Please respond TODAY or before February 29, 2008 in order for your school to remain on our free list. Please go online at [www.ceoaustin.org](http://www.ceoaustin.org) and please check your schools listing and give us information to fill in the blanks and update old information. Please contact me if you have any questions! Our enrollment period for scholarships is closed at this time, please make sure we have your current email addresses so that we can notify you when re-enrollment for our scholarships opens in late Spring 2008.\*
